

Tres Dias of Southeast Tennessee, Inc.

APISON RETREAT CENTER

ARC Volunteer Information

The ARC is supported by volunteers like you who can give some of their “time, talents and treasures” (remember the Ideals Talk) to help maintain and improve the facility. This is your facility and we could always use your help. There is no paid staff at the ARC. We have many small projects that you can take on as an individual or group effort. It is a good opportunity to practice the “floating Reunion Group” you heard about on your weekend.

If you have some time we have the projects.

Complete the information below and scan or take a photo and send to “arc@tdestn.org” or mail to TDSETN – ARC, PO Box 22781, Chattanooga, TN 37422-2781
